## Options

Vinyl Cover	Spare Tire Mounted
Flat Grates	Tandem Axle
Griddles	3,000 lb. Axle With 15" Wheels
Hinged Lids With Thermometers	Slide Vents
Stainless Steel Lids	Chicken Wing Grates
Trim Package	1/2" Wire Spacing on Grates
Slide-Out Grates	Certificate of Origin
Additional Pits (up to 10 Total)	Roof System

Use approximately 40 lbs. of charcoal per pit to cook 60 lbs. of chicken for first rack. If you wish to cook a second rack, add approximately 15-20 lbs. of charcoal.

**Photos may include options. Items listed in the "Features" charts are included in the base price.**

Meadow Creek Welding uses only food-grade T304 stainless steel in the fabrication of parts identified as "stainless steel" that will contact food under normal use. This includes, but is not limited to grates, racks, shelving, work surfaces, and complete units constructed primarily of stainless steel and sold using that description.
