Wing Grate  
3-1/2" Handle Extension on Grate  
Griddle  
13-Gauge Charcoal Pan Insert

Use approximately 25-30 lbs. of charcoal to cook 40 lbs. of chicken for first rack. If you wish to continue to a second rack, add approximately 10-15 lbs. For other cuts of meat, grilling, smoking, etc., put in your desired amount.

BBQ42C

Meadow Creek Welding uses only food-grade T304 stainless steel in the fabrication of parts identified as "stainless steel" that will contact food under normal use. This includes, but is not limited to grates, racks, shelving, work surfaces, and complete units constructed primarily of stainless steel and sold using that description.
