- Hinged Lid
- Stainless Steel Grate
- Cool-to-the-Touch Handle on Lid
- Thermometer
- Drip Pan/Charcoal Grill Pan
- Pedestal Base
- 8" Hard Rubber Tires
- Unassembled in Box

Options

- Vinyl Cover
- Stainless Steel Shelves

Use approximately 10 lbs. of charcoal for grilling on a full grate. May vary depending on your grilling time and cuts of meat.

Meadow Creek Welding uses only food-grade T304 stainless steel in the fabrication of parts identified as "stainless steel" that will contact food under normal use. This includes, but is not limited to grates, racks, shelving, work surfaces, and complete units constructed primarily of stainless steel and sold using that description.
