Use approximately 40 lbs. of charcoal to cook a small pig or Boston butts and briskets for approximately 8-10 hours. 10 lbs. of charcoal will grill multiple batches of steaks, burgers, hotdogs, etc.

Photos may include options. Items listed in the "Features" charts are included in the base price.

Meadow Creek Welding uses only food-grade T304 stainless steel in the fabrication of parts identified as "stainless steel" that will contact food under normal use. This includes, but is not limited to grates, racks, shelving, work surfaces, and complete units constructed primarily of stainless steel and sold using that description.
